TRAFFIC ADVISORY

Planned Road Closure for Slide Repairs, in Lee County

LEE– Weather permitting, on Tuesday, June 10, beginning at approximately 3 p.m. the Alabama Department of Transportation plans to close the eastbound roadway of US-280 to repair a slide at milepost 105.8 in Lee County.

Detour routes will be in place for approximately three weeks as follows:

- Detour will begin at milepost 105.5 to milepost 106.5.
- Both eastbound and westbound traffic will be placed on the westbound roadway through this location.

Motorists are also requested to consider using alternate routes, adjust arrival/departure times, observe work zone speed limits and other work zone signs, and use extreme caution in this area. ALDOT thanks motorists for their patience during this Maintenance Operation to improve Alabama's roadways.

ALDOT's mission is to provide a safe, efficient, environmentally sound transportation network across Alabama. For further information, visit www.dot.state.al.us.
